

REPUBLIC DAY POEMS IN ENGLISH

Poem 1: Pride of Our Nation

India, our land so free,
With mountains, rivers, and the sea.
On Republic Day, we stand so tall,
Celebrating unity, one and all.
The tricolor waves high in the sky,
A symbol of dreams that will never die.
Let's salute our soldiers brave,
And remember the sacrifices they gave.

Poem 2: Our Glorious Republic

Seventy-six years, and still we grow,
Through highs and lows, our strength we show.
The Constitution, our guiding light,
Gives us freedom, truth, and right.
On Republic Day, let's all say,
"Proud to be Indian, every day!"
Together we march, hand in hand,
Building a stronger, united land.

Poem 3: The Flag We Adore

Oh, tricolor flag, you shine so bright,
Saffron, white, and green unite.
The wheel of truth, it spins so fast,
Reminding us of our glorious past.
On Republic Day, we promise to be,
Loyal citizens, happy and free.
With pride and love, we sing and cheer,
For our India, we hold so dear.

Poem 4: India's Golden Glow

From Kashmir's peaks to Kerala's sand,
Our culture blooms across the land.
Republic Day brings joy anew,
Honoring heroes, brave and true.
Together we dream, together we strive,
To keep our India's spirit alive.
So wave the flag, let's all unite,
And make our future shining bright.

Jai Hind!
